****NOTE:** Students who were previously in the Provisional Financial Aid Status that did not meet the conditions are required to either Petition for Reinstatement, Self-Reinstate or appeal.

- Students are eligible for this status if they are currently meeting both quarter GPA and the quarter attempted credit rate as required by SAP, but not the cumulative GPA and/or the cumulative attempted credit rate.
- Financial aid will be awarded for one quarter in this status, with the exception of student loans. Loans will be awarded for the academic year, but will be subject to the adjustment if the conditions of the Prov. FA Status agreement are not met.
- You are required to be enrolled in at least 6 credits to be placed into this status

By signing this form, you are being granted financial aid eligibility for one quarter since you are currently meeting the term GPA and term attempted credit requirements of SAP.

If you submit this form and are not eligible to be placed in the Provisional Financial Aid Status, no action will be taken by the Financial Aid office.

This status is renewable on a quarterly basis as long as you complete and pass all credits you are enrolled in effective on the 10th day of the quarter, and achieve at least a term GPA of a 2.0. Students that are eligible to have this status renewed will submit a new form after the upcoming quarter ends if their cumulative GPA and/or cumulative attempted credit rate are still not meeting the SAP requirements.

You are required to submit an explanation about what happened and how you're continuing to pass your classes and sign on page 2.
